ST. STEPHENS INDIAN HIGH SCHOOL

"I want to truly thank this year's senior class and all members of the High School. This has been an amazing first year as principal and I look forward to many more to come. I believe that students at St. Stephens Indian School will venture out into the world and become successful leaders for their tribal community. We

challenge all of you to try your best in higher education, and to remember that your community here is the most important, and needs your dedication and leadership. Perseverance is key to success, do not be afraid to fail, because when you fail that is how you will understand to succeed. I want to thank all students, staff, and community members for the opportunity to serve this great school as both Principal and Athletic Director."
