St. Stephens Indian High School

I want to truly thank this year's students and all members of the High School Staff. This has been an amazing year as principal and I look forward to many more. I believe that our students at St. Stephens Indian School will venture out into the world and become successful leaders for their community. We challenge all of you to pursue a higher education and to remember that your community is the most important. Your family and community needs your dedication and leadership. Perseverance is the key to success, do not be afraid to fail, and strive for greatness. I want to thank all our students, staff, and community members for the opportunity to serve this great school as both Principal and Athletic Director.

News...

Due to COVID-19 the '19-'20 school year was forced to go online in April 2019. For this reason we were unable to hold prom, a normal graduation, and some of the sports. Here are some of the communications to the students and community from the school.

March 30, 2020

Dear Families:

As we work through the COVID-19 pandemic, St. Stephens Indian School continues to work with the Wyoming Department of Education (WDE), the Bureau of Indian Education (BIE), our local and state Public Health officials, and other entities to gather up-to-date information to provide to our community.

With information from the Governor, WDE, BIE, and Fremont County Public Health officer, Brian Gee St. Stephens Administration and Board of Trustees has determined that, at this time, a return to school on April 6th is not feasible or in the best interest of the health of our students, staff, families, or community at large. The safety and health of our students, staff, families, and the community is priority at this time. St. Stephens Indian School has been closed indefinitely, but we plan to monitor the situation and keep in contact with the appropriate entities to determine the best time to return to school. We will keep you updated as future decisions are made.

We have created an adapted learning plan, in accordance with the WDE and BIE that includes online education, as well as work being delivered to homes. As this plan is developed further, and finalized, we will share it with you. One thing that is important to remember, beginning April 6th, students will be required to complete work that is not being provided online. This work will directly affect the

A Sad Update from the WHSAA.

WYOMING HIGH SCHOOL ACTIVITIES ASSOCIATION
6521 EAST 2ND STREET
CASPER, WY 82609
(307) 577-0614 (Phone) / (307) 577-0637 (Fax)
www.whsaa.org

It is with deep regret that the WHSAA Board of Directors announces the cancelling of all spring sports. Due to the continuing influence of COVID-19, we are not able to predict when it will be safe to resume spring sports, nor are we able to assure if any of our communities would be able to host any of our events.

The WHSAA Board of Directors promotes the benefits of participating in education-based activities. We also understand the overwhelming disappointment this decision is for our student athletes, especially our seniors.

As we all continue to adapt to the pandemic, academics need to be the focus of our students and schools to be able to complete a successful school year.

Please realize that our highest priority, as always, is ensuring the health and safety of our students, schools and communities during this challenging time. We must be a responsible organization and we look forward to the day when our students are again participating in education-based activities.

Attention Students, Guardians, and Community Members!!!

Saint Stephens Indian School will be on the Adaptive Learning Plan for the rest of the school year. Students will not return to campus until August 2020 as of right now. Please help your students complete their assignments and homework.

Saint Stephens Indian HS graduation will be on May 24, 2020. We will have a drive-up ceremony. More details will follow.

SSIS 8th grade moving up ceremony will be a part of the 2020 Freshman Leadership Academy on July 30, 2020.
