Rapid Improvement Indicators

<p>Instructional Teams meet for blocks of time to develop and refine units of instruction and re-view student learning data. They also develop standards-aligned units of instruction, use data to plan instruction, are guided by a document that aligns standards, curriculum, instruction, and assessment, and maintain a record of student mastery. Teachers develop weekly lesson plans based on aligned units of instruction.</p>	<p>The curriculum for all grade levels includes lessons on the accomplishments of Native Americans and the school provides training for all staff on local tribal history, culture, customs, and values.</p>
