

# COMPUTER USE CONTRACT

Saint Stephens Indian School will provide all students technical instruction to improve literacy and competence. The school will operate a safe, respectful, academically sound technology program for our students.

I, \_\_\_\_\_, agree to operate the school's computers in accordance with the following contract:

I will follow the idea of "appropriate use" when operating any school computer. Appropriate use includes academic activities as supervised by an instructor.

I will not operate the school computers for inappropriate uses. These include, but are not limited to:

- personal email/hot mail
- chat rooms
- interactive video games
- downloading from the web or other sources
- web sites containing language, images, and audio which are deemed offensive by instructors
- floppy disc or CD not authorized by instructor
- using a school computer without supervision

Saint Stephens Indian School expects all students to honor this contract. Disciplinary action will be taken when a student violates this contract.

## **Discipline policy :**

1<sup>st</sup> offense: One month suspension of all Internet privileges. Parents and teachers meet with student to plan for future compliance.

2<sup>nd</sup> offense: Suspension of all Internet privileges for entire school year. Parents and teachers meet with student regarding successful completion of academic work without school Internet access.

3<sup>rd</sup> offense: Revocation of all Internet privileges for entire attendance at SSIS. Student will be recommended for suspension or expulsion as determined by administration. **Any violation of federal or state law will be treated as a 3<sup>rd</sup> offense. In addition, any criminal or civil penalties will apply.**
